

ACTION PLAN TO IMPLEMENT CHILD SAFETY STANDARDS

The Royal Commission into Institutional Responses to Child Sexual Abuse and the Victorian Government Inquiry into the handling of child abuse resulted in a series of recommendations for sectors and organisations working with children. The Victorian Government mandated that organisations working with children adhere to a series of standards to promote child safety, prevent child abuse and properly respond to allegations. The aim is to ensure organisations are well prepared to protect children from abuse and neglect. But at its core is the need to ensure child safety is embedded in institutional leadership, governance and culture.

Outlined below are the 7 Child Safety Standards established by the Victorian Commission for Children and Young People (<https://ccyp.vic.gov.au/child-safety/being-a-child-safe-organisation/the-child-safe-standards/>) Outlined beside them are the steps/ action plan that the Coptic Orthodox Diocese of Melbourne and Affiliated Regions will take to adhere to these child safety standards. As an institution working with children we are obligated by our Christian beliefs and by regulation to adhere and implement these standards.

Standard 1: Strategies to embed an organisational culture of child safety, including through effective leadership arrangements

- Register Head of Organisation with CCYP
- Inaugurate the Diocese Child Safety Committee
